

We have been riveted to the news for updates on the current situation that has paralyzed and destroyed the country of Haiti. Our thoughts and prayers are with our St. Paul Community family, fellow New Yorkers and anyone who has been directly affected by this catastrophe.

Our city is home to over 125,000 New Yorkers who hail from this beautiful country where they say poverty overwhelms, but we know God's Spirit endures.

In response to this tragedy, St. Paul Community Baptist Church has partnered with Yele Haiti, the non-profit Haiti support foundation founded and led by Grammy® Award winning entertainer, Wyclef Jean.

Items to donate include blankets, solar flash lights, power bars/protein bars, spring/summer clothes, medical supplies. Please donate only these items as this is the specific request of Yele Haiti.

Financial donations are also being accepted. Please make checks or money orders out to St. Paul Community Baptist Church and be sure to include Yele Haiti in the memo line. Online, please visit our website at www.spcbc.com, click "online giving" and select "Yele Haiti" in the dropdown menu.

Please direct any questions regarding this project to Central Office on ext. 100 or Monica Britton on mbritton@spcbc.com.

Persons interested in volunteering are encouraged to contact Hakikah Shamsiden at hshamsiden@spcbc.com or ext. 438
